Camp Celebrate

TBD

Online Registration

- Online registration is now OPEN!
- Each camp session's registration will close one week before the event, at which point, you must contact the camp to check availability and request a hard copy registration form. Additional charges apply for late or on-site registration.
- For those who took part in our new registration system last season, your login information and form data has been saved. Our hope is this makes for an easier registration process for you. The process is broken down into three parts. Registration/Deposit, Health and Permissions, and physician's notice. This year, you'll have fewer reminder e-mails!

Paper Registration

Camp is trying harder to go paperless, however we understand not everyone has access to the internet, so let us know if you need a paper application.

WMC Scholarship

If you are interested in applying for a scholarships, please contact us. We have an application campers can use to apply for a WMC Scholarship thanks to funds from other churches and donors. Scholarships are limited and are issued first come-first serve.
