

TRIP PREPARATION

Directions: White Memorial Camp and Retreat Center, [1271 S. 1050 Rd. Council Grove, Ks 66846](#)

1. WMC is located 13 miles South of Council Grove on the peninsula surrounded by the beautiful Council Grove Reservoir across from the Council Grove Marina and Riche Cove.
2. Take Hwy 177 until you reach Ave. K. There will be a sign on the South side of the road reading "White Memorial Camp." That's us!

Note: You'll be travelling down 6 miles of gravel road. Take caution with your tires and do not drive over 40 MPH.

3. Head West on Avenue K for 1.5 miles until you reach 1050 Rd a sign reading "White Memorial Camp 4.2 miles")
4. Drive south on 1050 road for 4.2 miles, past the "Dead End" sign and follow that road into camp. WMC is the dead end. But a really, really, nice dead end.
5. You'll come across a stone gate partway through the property. Please note,
6. Speed limit is 10 mph past the gate and this is private property.
7. Once passed the gate you'll see a house on the left. Keep driving (curving right) to the main campus where you'll hit a fork in the road with a "Parking" sign that you will ignore as you keep left.
8. On your left will be our stone office building with 4 colored doors. 2 of the doors belong to our Apartments. As you keep driving, Big Red Cabin is on the left and our large Dining Hall is on the right.
9. Drive by the playground on your left and you'll find a fork in the road leading to our four remaining cabins.
10. Green Cabin is at the fork in the road so curve right to park.
11. Blue Cabin is just beyond Green so curve right and park closer to BLue.
12. Purple Cabin: Turn left at Green cabin and Purple is the next cabin on the right.
13. Little Red Cabin: Turn left at Green cabin and Little Red is the cabin farthest down on the gravel loop.

Check-In:

1. Upon arrival, feel free to drive to your cabin. If you're not sure where to go, then stop at our office (the first stone building on your left with 4 colored doors) and check out the map on the teal door. If that doesn't help, call me, and I'll come greet you, or guide you over the phone.
2. Each cabin has a lockbox storing your key. You should have been given the code to your cabin. If not, just ask!
3. Once you're in your cabin you'll find a form or two to sign and return to the office. These are waivers if you've signed up for activities and/or Policies and Procedures agreements to ensure a safe stay. Also, you'll find a folder with helpful information such as what to do, where to eat and so on.

Check- Out:
